

Give something back.

Join goodcompany for the launch of WishFest 2009, our big month of skilled volunteering. During October we aim to deliver more than \$1 million worth of volunteer professional services to Australian community groups.

This year's WishFest launch has a racing theme. Check out the form guide of 'volunteer wishes' to see which roles match your skills and interests. Saddle up with one of the dozens of community groups in need of your professional expertise. In between racing you'll meet many other like-minded professionals who like you want to give something back.

Take the ride with goodcompany and invite your friends and colleagues to join in the fun – together you can help make \$1 million worth of community group wishes come true.
