

Invitation to all

It has been heavily advocated worldwide that slowdown is the best time for wannabe entrepreneur to create new business, generate job opportunities and create an overall optimistic ecosystem.

You will be glad to know that our efforts to spread the spirit and Start-ups ecosystem of Innovation & Entrepreneurship in Punjab we are organizing **BarCamp Punjab Edition-II** on **2nd May 2010 (Sunday)**.

Brief on BarCamp:

BarCamp brings together great young minds, startups, entrepreneurs, Venture capitalists, media and experienced professionals on a common platform. This platform serves as a place to share their thoughts and ideas and thus helps to create new talent. All attendees are encouraged to present / facilitate a session. Everyone shares their experiences both live and after the event via the web and other channels.

Event Details:

All the details about the event including Day's schedule, Speakers session are available on the website <http://www.barcamppunjab.org>. If you would like to make contribution by sharing your experiences through a speaker session or as a participant, then please register on website.

For any queries, you may contact volunteers on phone +91 94630 68880 (*Danish Wadhwa*) or +91 9988866878 (*Harjinder Singh*) or by email at barcamppunjab@gmail.com

We look forward to your support for the realization of much needed Tech Entrepreneurship in Punjab
