

## **Regional Conference in Santa Clarita Feb. 19-21, 2010**

Dear Friend in Christ:

I am pleased to share with you an exciting opportunity that I believe will be of value to you as you pursue your goals for missional living. The International Leadership Institute (ILI) is an organization that I belong to and endorse. ILI sets out to train leaders in the Global Christian community to spread the Gospel of Jesus to all nations.

This past year, ILI has begun to offer its 3 day training course here in the United States. These skill sets that ILI focuses on are skills that matter for Christians everywhere regardless of your mission field.

As we seek to be more intentional about our personal and corporate relationships in our community, God will open up opportunities for us to be light and salt to our ever darkening culture. In many cases this will involve activities with and support of other organizations in need in our Valley.

My goal is to make sure that as we do, we are properly trained and skilled to take this missional life seriously. Beyond that, it is my desire that we have skills that we can transfer to others to help build them up in the name of Jesus.

The ILI weekend is designed to deliver practical knowledge and transferrable tools to all attendees for our SCV Regional Conference. Our trainers are experienced leaders and pastors who have a passion for missional living both here and abroad.

Each attendee will receive a workbook as well as a CD with all the PowerPoint slides and conference materials used during the weekend. These materials are yours to use as you push forward to the goal of reaching every member of our community for Christ.

The Conference will be kept to 30 individuals; maximum, so early registration will ensure your attendance. We will have members from churches in the SCV, Antelope Valley and San Fernando Valleys and beyond.

I do hope to see you there.

Kingdom Blessings,

*Mike Brown Sr.*

**The Vision of ILI**

The International Leadership Institute (ILI, on the web at [iliteam.org](http://iliteam.org)) accelerates the spread of the Gospel around the world by training and mobilizing leaders of leaders to reach their nations with the Gospel of Jesus Christ. Utilizing a small but highly committed international staff, ILI has spread around the world through the simple, biblical process of passing on what one has received. Since its beginning in 2000, ILI has grown into an international community of more than 25,000 leaders in over 50 nations. ILI has become a global network of passionate Christians serving to see the Kingdom of God advanced and the lost reached with the Gospel.

**The ILI Process**

ILI training introduces 8 simple core values foundational to effective leadership. The process involves both implementing the core values in ones life and sharing the core values with others. It is in teaching what one has learned that deepens and reinforces the learning. This practice of replication is the key to ILI's effectiveness.

**A Vision for the US**

ILI's focus has always been the training of international leaders outside of the US. Only in recent months have leaders in California begun to bring the ILI leadership development model to the US.

We see the Lord developing an expanding leadership network in California, and hopefully other states, committed to equipping and supporting growing leaders in the church who serve both within and beyond the local congregation. With ILI we have opportunity to tap into an existing international network. The ILI network provides a truly global community easily accessible for mutual support and resourcing.

**The Vision for Santa Clarita**

The vision for the ILI Regional Conference in Santa Clarita is to gather leaders from Santa Clarita, the Antelope Valley, and other communities to expose them to the 8 core values, develop a functioning network in California, and replicate at least one additional regional conference somewhere else in the state.

**Specific Goals:**

1. Fifteen people from Santa Clarita/Antelope Valley churches participating.
2. Fifteen people from outside Santa Clarita/Antelope Valley participating.
3. Provide hospitality for the participants who come from outside to keep costs low.

**Anticipated Cost:**

\$50.00 per participant for the weekend to cover food and materials.

## **The Core Values**

### **1) Intimacy with God**

God looks for consecrated men and women who lead from an intimate relationship with God.

### **2) Passion for the Harvest**

God looks for men and women who share a passion for those without Christ. Jesus came to “seek and to save that which was lost.” God desires that everyone be reached with the life transforming power of the Gospel.

### **3) Visionary Leadership**

God looks for men and women, who are biblically committed to cast vision, set goals, mobilize the Body of Christ, and overcome obstacles in order to reach the nations for Christ.

### **4) Culturally Relevant Evangelism**

God looks for men and women who live and teach the Gospel with cultural relevance, sensitivity and power, so that the eternal truth of the Gospel will be understood and received in every culture of the world.

### **5) Multiplication of Leaders**

God looks for men and women who disciple, coach, and mentor other leaders, who in turn become leaders of leaders that effectively train others.

### **6) Family Priority**

God looks for men and women who are convinced that the family is God’s building block for society and make their family a priority in developing leaders.

### **7) Stewardship**

God looks for men and women who are faithful stewards of finances, time, and spiritual gifts in their personal lives and ministries, with the result that people are reached with the Gospel.

### **8) Integrity**

God looks for men and women of integrity who live holy lives that are accountable to God and to the Body of Christ. Integrity glorifies God, protects leaders from stumbling, and encourages growth.
