Description

Bill Moyers once said, "Creativity is piercing the mundane to find the marvelous." Though he wasn't talking about this house, he could have been. This home, taken down to the studs and completely renovated, has reached the pinnacle of its existence. Sitting on nearly half an acre, this home has high-end, well chosen finishing's inside and all the amenities outside. It goes beyond being functional and comfortable and adds adjectives like beautiful and striking. Snuggling up to a wooded hillside, this property is a must buy!
