

Buy-A-Mile Sponsorship Form

Your Donation Will Help Raiders of the Lost Tuk race 2,000 Miles across India in a Rickshaw in Support of the Juvenile Diabetes Research Foundation!

Thank you for supporting Raiders of the Lost Tuk in our quest to find a cure for Type 1 Diabetes! As one of just 60-some teams from around the globe participating in the Autumn 2010 Rickshaw Run, a 2 week, 2,000 mile trek across India to raise essential funds for the Juvenile Diabetes Research Foundation, we need your help in getting us to India and back (preferably in one piece). Our Buy-A-Mile Campaign works by giving you the chance to sponsor us for each of the 2,000 miles we'll drive for only \$5 per mile. Any level of donation is greatly appreciated!
