

Sage ERP EasyPay Payment Option

In today's challenging economic climate, cash is often scarce and credit is difficult to obtain. At Sage, we are committed to helping you overcome these financial hurdles to enable you to implement advanced Sage ERP software designed to meet the needs of your growing business.

Sage is pleased to offer a new installment payment plan that gives Sage ERP customers the flexibility to spread out the initial new license software and Sage Business Care service plan costs over a 3- or 5-year period, with convenient monthly or quarterly payments and no finance charges*.

Customer Benefits:

- No finance charges.
- Automatic monthly or quarterly payment schedule via ACH or credit card.
- Flexible 3-year or 5-year term.
- Installment payments ease the cash flow burden.
- No large up front payment – faster approval.
- Eliminates challenges of securing third party financing.
- Sage Business Care (maintenance/support) is covered for the entire 3-year or 5-year term.

Payment Terms Available:

- 3-year, monthly payments
- 3-year, quarterly payments
