This year's **MX1** class features 52 participants. Do not miss Notre-Dame-du-Bon-Conseil native **Kaven Benoit** try to win against a host of strong opponents, including former champions Jason Thomas and **Tyler Medaglia**, a former **MX2** champion who is stepping up to the main class for the first time. Last year, Benoit won the MX2 class, but will be challenged by young western Canadian **Kyle Beaton**.

ATVS AND SIDE-BY-SIDE RACING

Thirty-eight ATV participants will compete at the Supermotocross Monster Energy, including Quebec native **Richard Pelchat** taking on Americans **Cody Miller** and **John Natalie**, the 2010 event champion.

The inaugural Side-by-Side event will feature many surprises. Twenty-three entries will be in attendance after a summer of preparation with future stars and champions waiting in the wings. Supermotocross Monster Energy regular, fan favourite and former Canadian champion **Simon Homans** headlines the Side-by-Side entry list.

FREESTYLE

The Freestyle Motocross event, where the winner is chosen by the crowd, is always a fan favourite. This year the competition will be fierce with the presence of France's **Thomas Pages**, Quebec natives **Ben Milot**, **Morgan Kaliszuk** and **Brody Wilson** and American **X Games** gold medalist **Adam Jones**.
