HOW DO YOU FILL A \$14 BILLION DOLLAR HOLE?

There's a \$14 billion dollar hole in Tim Hudak's campaign promises. How will you be affected?

So anyone doing the math must presume **there are more cuts** to come, in both **services** and **jobs**, if Hudak is elected. - Editorial, Barrie Examiner

As leader of the **PCs**, Hudak's funny math remains a **suspicious** and dangerous carry-over from his days as a **Harris protégé**.
