Why?

Because Jesus Modeled It.

Philippians 2:5-7; Luke 19:10; John 4

Because Jesus promises life like none other.

- Rest - Matthew 11:28-30
- Comfort - 2 Corinthians 1:3-5
- Forgiveness - Luke 24:46-48
- Living Water that gives eternal life - John 4:14
- Abundant life - John 10:10

Because there are eternal consequences.

Matthew 13:36-40; John 3:16-18; Hebrew9:26-28; Revelation 20:14-15

Because Jesus said to go and tell others about Him.

Matthew 28:18-20

How?

Jesus shows us how in his conversation with a Samaritan woman at the well in John 4.

- His conversation was not p.c.
- He had a conversation NOT a confrontation.
- He was simply real.
- He used the obvious.

Julie's Story of Inviting People to Life at Phos

What?

What EXACTLY am I supposed to say and do to invite people to 'The Bible' series?

Hand them an invite card and say something like this:

“__[first name]____, I'd love for you to be my guest at Phos Church to experience a new series beginning on March 3. We're using some clips from a History Channel mini-series called, 'The Bible' that airs in March. I think that you'll really get a lot out of the experience with us. Your kids will be well taken care and the messages will give you a lot of hope. Here's a card that tells about it. “

**BEFORE YOU LEAVE 4200 TODAY, please consider doing the following:
[of course you don't have to -- it's always your choice.]**

1. Think about 10 people that you'd like to invite.
2. Make a mental plan about when and to whom you will hand deliver the invites to. Hand deliver as many of the ten as possible.
3. Go to one of 'The Bible' invite stations in the Cafe or in the atrium.
4. Write a brief note on the cards that you will be hand delivering. You might write something like this:
 "__[first name of friend]_, I'd love for you to be my guest. I'd be glad to meet you when you arrive or drop by and pick you up. Just let me know. Thanks, __{your name & cell number}._"
5. For those you will not have time to see, please hand address their card with a very brief personal invite. You might write something like this:
 "__[friend's name]_, I'd love for you to be my guest! Let me know if you can make it, okay? __[your name]__"
6. For cards that need to be mailed give them to your table captain and Julie's team will mail them for you on Monday.

Remind them toward the end of the week: Sometime after Wednesday evening this week call, text or email your friend to see if they got the card and ask if they have any questions. Consider offering to swing by and pick them up to bring them or offer to meet them a few minutes early to give them a quick tour and get them oriented to a Sunday morning experience at Phos.

Optional: Consider giving \$1 per invite to defray production & mailing expenses.
