

ESTILL COUNTY – TOOLS IT WOULD BE NICE TO HAVE

Please find the area you signed up for and see what you can do about bringing some of the tools needed:

***Tools marked with asterisks are tools that we would like as many people as possible to bring.**

Please label each of your tools in some way, so as to identify them when packing on Sunday. Many tools get used on multiple sites & often by someone other than yourself. Last year we probably had a dozen or more tools unclaimed @ departure time.

If you signed-up for gardening, landscape, or general yard maintenance type jobs:

- Gloves
- Garden rake *
- Lawn rake *
- Round point shovel or Square front shovel
- Spade
- Trowel and weeding tools
- Lopping shears or hand pruners
- Gas-powered weed eaters w/ oil mixture & extra fuel *
- Heavy duty garbage bags

If you signed-up for general cleaning tasks:

- Rubber gloves *
- Old rags or paper towels
- General purpose cleaning solutions (409, simple green, windex, ajax, etc.)
- Broom & dust pan

If you signed-up for concrete work:

- Gloves
- Old work shoes/boots
- Pointed trowels
- Concrete finishing tools (edger, grooving tool, brushes, etc.)
- Mortar hoe or garden hoe
- Square front shovels

If you signed-up for **trail maintenance or chainsaw work**:

- Gloves
- Long sleeve shirts to avoid poison ivy contact
- Gas powered chainsaws, bar oil, gas mixture*
- Face shields or safety glasses
- Splitting mauls & wedges
- Lopping shears *

If you signed-up for **painting**:

- Paint brushes (angled trim & regular 2" - 3")*
- Roller frame and general purpose knap roller covers*
- Roller pans & plastic disposable liners
- Small buckets or containers to paint out of
- Old rags
- Drop clothes
- Masking tape
- 5 gallon buckets with roller screens
- Brush spinner or cleaning tools

If you signed-up for **general carpentry**:

- Hammer
- Tool pouch/belt
- Handsaw, circular saw, reciprocating saw/sawzall
- Cordless or corded drill w/ a variety of bits*
- Squares, level
- Tape measurer
- marking tools/pencils/sharpie

Other possible jobs that may require **specialty tools or equipment**: if you have expertise in any of these jobs, then you will know best the tools that you may need to complete related jobs/tasks.

- Angle grinder and/or orbital sander for use on light-duty auto body prep & painting
- portable miter saw/saw station for possible
- portable router & bits to complete handmade trim or flooring
- General Electrician tools and supplies for installing an exhaust fan
- Dry Wall hanging and finish tools
- Pump sprayer for sealing deck
