### MockFlow Team | 2009-09-25:

I am going to export this to a PDF file and send this to a web designer

### Prabhuram Baskaran | 2009-09-25:

The large showcase image should be replaced with a slideshow

### MockFlow Team | 2009-09-25:

That should be a nice idea but should take more time to design

### Prabhuram Baskaran | 2009-09-25:

how about having thumbnail images for each of the features

### MockFlow Team | 2009-09-25:

For the Video Demo, it is better to to Vimeo rather than YouTube as it provides better custom options

**MockFlow Team | 2009-09-25:**

The 'create account' button should be made more larger and I prefer it not to be an image
