Frequently Asked Questions

What if I will not be available to receive my shipment?

Most of our shipments contain valuable items, so our carriers are required to obtain a signature upon delivery. However, orders delivered by DHL Global Mail/United States Postal Service do not require a signature. Please note that the carrier makes three delivery attempts before they returning your package to Apple.

For more information about Apple's delivery options, visit online [Help](#).

How do I track my shipment?

Visit online [Order Status](#) to view the most up-to-date status of your order. Some carriers, including the U.S. Postal Service, may not provide tracking information. If you ordered multiple items, you may receive separate shipments with no additional shipping charges. For more information about shipping or returns, please visit online [Help](#).
