**General Liability Insurance**

The College maintains general liability insurance to cover accidents that occur as a result of faulty equipment or College negligence. However, Southeast Community College is not responsible for accidents that occur on campus as a result of student negligence. Students are urged to maintain private health insurance to assure coverage. In the event that medical treatment should be required, SCC will contact the above listed emergency contact person, so that they may be placed in contact with the person or persons providing medical aid.
