EVENTS FOR PROSPECTIVE STUDENTS

LINCOLN CAMPUS

Engineering Red Letter Day • Grades 9-12 •

Sept. 26, 2011

Registration: admissions.unl.edu/open_house/red_letter_days/index.aspx

This campus visit option provides an overview of UNL and highlights the College of Engineering programs in Lincoln.

WIEE -- Women Interested in Engineering Day •

Grades 9-12 • Oct. 22, 2011

<http://www.wiie.unl.edu/index.shtml>

This program, hosted annually on the Lincoln City Campus, is designed to discuss opportunities available in engineering and construction management, with an emphasis on females interested in engineering and science.

Discover Engineering Days • Grades 5-8 •

Nov. 9, 10, 11, 2011

<http://engineering.unl.edu/Events/DiscoverEngineeringDays/index.shtml>

Discover Engineering Days introduces middle school students to engineering. The event is filled with hands-on activities that apply math, science and creative thinking skills.

TEAMS (Tests of Engineering Aptitude, Mathematics and Science) • Feb. 16, 2012

www.jets.org / www.teams.unl.edu

This one-day competition is designed for high school students across the U.S. as part of Junior Engineering Technical Society (JETS) and focuses on the areas of engineering, mathematics, science and other technical fields.

Big Red Road Show • March 4, 2012

http://admissions.unl.edu/road_show/index.aspx

The Big Red Road Show is designed to help high school seniors make their final decisions about college and high school juniors and sophomores to begin their college search. Students and adults can attend to experience a glimpse of college life at UNL.

E-Week Open House • April 13, 2012

www.eweek.unl.edu

A tradition since 1913, E-Week recognizes and rewards engineers' accomplishments. The week culminates with the annual E-Week Open House, featuring students' projects, and information and hands-on activities for high school students.

LINCOLN CONTACT: Amber Retke
UNL College of Engineering
114 Othmer Hall
Lincoln, NE 68588-0642
(402) 472-7094 / aretke2@unl.edu

OMAHA CONTACT: Alma Ramirez-Rodgers
UNL College of Engineering
The Peter Kiewit Institute
1110 S. 67th Street
Omaha, NE 68182-0791
(402) 554-3618 / aramirez-rodgers1@unl.edu

OMAHA CAMPUS

PKI MayDay • Oct. 7, 2011

<http://admissions.unomaha.edu/visit>

This campus visit option provides an overview of UNO and offers students the opportunity to find out more about the UNL College of Engineering (Omaha programs) or UNO's College of Information Science & Technology.

PKI Fall & Spring Open Houses •

Oct. 30, 2011 (12-3 p.m.) • Feb. 25, 2012 (1-3 p.m.)

<http://www.engineering.unl.edu/Events/PKI-openhouse/>

The open houses allow prospective students and their families to see the Omaha engineering facilities, tour housing, and meet with faculty, staff and current students.

PKI IST&E-Week • Feb. 20-25, 2012

www.engineering.unl.edu/Events/PKI-Info-Science-Tech-Week/

A tradition since 2002, IST&E-Week is held in February during National Engineers Week. Events include:

- Admitted Student Shadow Days: Feb. 20-23
- PKI Jr. High Discovery Day (8th grade):
Feb. 22, 9 a.m.-1 p.m.
- PKI Sr. High Discovery Day (9th-12th grade):
Feb. 23, 9 a.m.-2 p.m.
- Learning for Life Explore Engineering Day:
Feb. 25, 9 a.m.-1 p.m.

The Durham School of Architectural Engineering and Construction Explorer Post • TBD, 2012

The Durham School, in collaboration with Learning for Life Exploring, provides high school students the chance to learn more about architectural engineering, construction engineering and construction management. This program is for individuals who are 14 (and have completed the eighth grade) through 20 years old. Contact: Christine Warren, cwarren2@unl.edu

Engineering Exploration Week (EEW) • June 4-8, 2012

www.engineering.unl.edu/Events/eeew/

EEW is a one-week summer day camp hosted at The Peter Kiewit Institute for students entering grades 10-12. Participating students explore Omaha engineering programs through a variety of hands-on activities and visits to local industry.

Jr. Engineering Exploration Week (EEW) • July 9-13, 2012

www.engineering.unl.edu/Events/jrhighew/

Jr. EEW is a one-week summer day camp hosted at The Peter Kiewit Institute for students entering grades 8-9. Participating students explore engineering through hands-on activities.
