Academy programs at Papillion-La Vista School District are again receiving grant funds for scholarships provided by the Papillion-La Vista Schools Foundation. These scholarships are available for academy students who have a financial need. **Students must be enrolled in an academy in order to apply.**

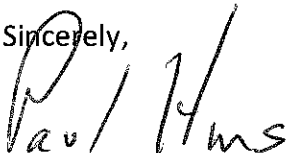

The applications for the 1st round of scholarships for the Fall Quarter (1st Semester) are due **August 31st**. Students will be informed of their application scholarship status as soon as possible. **Applications that are incomplete will not be reviewed.**

Applications for the 2nd round of scholarships for Spring Quarter (2nd Semester) will be due Friday, January 11th.

Opportunities such as MCC's career academies and PLSD's academy programs are a wonderful enhancement of the high school experience. Investing in these opportunities today will help make the transition after high school a much more purposeful experience.

If you have any questions, please contact me at 402-537-6248 or at phans@paplv.org

Sincerely,

Paul J. Hans
Career Education Coordinator
Papillion-La Vista School District

NOTE: This year, PLSD has started a new academy called A2B Academy (Associates to Bachelors). The purpose of this academy is to guide students directly onto the path of earning an Associate's Degree while still in high school. The tuition cost for high school students who take MCC courses from PLSD instructors who are certified MCC adjunct instructors is \$25 per course. For more information, please go to our website at www.paplv.org or contact me.
