

American Welding Society

Nebraska Section

District 16

Section 81

Nebraska Chapter

December 2011

A Note from Your Section Chairman:

Once again, I'd like to thank everyone all who attended our November technical presentation. Thank you. Unfortunately Scott was unable to present due to his extremely important involvement with the annual AWS welding show in Chicago, so in his absence we all enjoyed the "Modern Marvels – Welding" documentary that was put together by the Discovery Channel and the American Welding Society, but I hope to look forward to a future month with Scott as a presenter if he'd have us as his audience.

On another note, I'd like to thank those of you who in prior months took the time to point out to me that I was wrong about your involvement in the AWS (October Chairman's note). Thank you for making it solid grounds by which I spoke; only one person from industry felt that it was important enough to take time from his busy schedule to be present at our November meeting—a particular representative from Praxair Inc., thank you for being there, and thank you for leading by example.

As for our upcoming meeting agenda, January will be our Annual Bowling Outing, held at Maplewood Lanes on Saturday January 21. All proceeds will go to our Section Scholarship Fund. Thank you in advance for your support.

I hope to see you all there!!

Jason Hill CWI / CWE

2011 - 2012 AWS Meetings & Events

December – Holiday Break

January 21st – Bowling (details inside)

February – TBA

March – TBA

April - TBA

May – Golf

**Seasons
Greetings!**

NOTICE!

If you would like to receive an electronic version of the monthly AWS Nebraska Section newsletter, please call or email Monty Rodgers with the email address you want AWS to use.
