## 2011 Construction Career Showcase

Monday, November 7, 2011

9:00 a.m. – 2:30 p.m.

Nebraskan Student Union | University of Nebraska at Kearney

We invite junior and senior high school students, community college students, and faculty to learn about the exciting changes and opportunities in the construction industry. Attendees will be accepted on a first come basis and space is limited. The event is free of charge, so please complete and return the registration form ASAP.

Sessions will include:

- New technology used in the construction field
- Interactive team building projects
- How a 4-year degree will jump-start a career
- Face-to-face time with the construction industry leaders.
