2011 World Championship Update #5

Congratulations on qualifying for the VEX Robotics Competition World Championship in Orlando Florida, April 14-16, 2011. You are receiving this e-mail because your team is currently registered for the event on RobotEvents.com.

Pre-Check-in on Wednesday

We will open the venue at 2:00 PM on Wednesday for anyone that wants to come in and get setup. We will also have inspection setup if you want to get a head start and beat the rush!

Fill Out The Forms Ahead Of Time

Reminder to fill out the waiver and release forms and bring them with you. You can get the forms from the RobotEvents website or directly here:

- [VEX/RECF Waiver](#)
- [Disney Adult Waiver](#)
- [Disney Youth Consent](#)

Opening Ceremony on Friday

Please designate one student per team to join us in the big opening ceremony Friday morning. Then have the whole team come join us for the big opening ceremony!

Middle School Division

The Middle School Division will be in their own dedicated area and not mixed with the High School Divisions. We realize that there are a few organizations bringing both, so please plan ahead and understand that middle school and high school

divisions will not be in the same building.

Awards Pre-Submission Deadline Is Almost here!

A number of awards have an April 1st Deadline for submission [here](#):

- Teacher of the Year
- Mentor of the Year
- Community
- Teamwork
- Educate
- Innovate

Inspire Award

Has another team inspired/influenced your teams design? There is a new award for that, but the only way we will know about those teams is if you tell us! Go to the VEX forums [here](#) and add your comments today! Only teams nominated by April 1st will be considered for this award, so don't delay!

2011-2012 VRC Game Unveiling

The New VRC game will be unveiled after Qual rounds are complete on Friday evening, approximately 6:00 PM in the HP Field House on the main fields. Be the first to see the new game!

New VEX Parts Announced

VEX has a BUNCH of new VEX parts to announce - come join them at 12:00 noon in the HP Field House at the College Division Fields to see what VEX has come up with. These parts will be available at the IFI/VEX Store so you can take them home with you. Note that none of these will be allowed for use at this competition.

Pre-Register for Next Year!

We will have kiosks setup again this year so you can pre-register your teams for next year. If you pre-register, we will have welcome kits for you to take home with you after the game unveiling.

Admission Fees/Parking Fees

There are none! We have made special arrangements with Disney so that you and your spectators can gain entrance to the Competition Venue and parking for FREE!

Hotel Packages - Last Chance!

We have a few Get Travel Packages available, but only for the rest of this week. Book now before they are all gone!

Why? Only the GET Travel VEX Value Packages at the All-Star Sports, All-Star Music and Caribbean Beach Resorts include the special **express buses** to/from the competition each day - and those hotels are now close to full. If your team has not booked your GET Travel hotel packages yet, please be sure to do so quickly while there are still rooms available at those locations.

Go here for your travel plans: www.GetTravel.com and let GET Travel do the work

for you!

Want An Insiders View? VOLUNTEER!

Consider volunteering as a way to make your World Championship experience more memorable. Go to the Volunteer web page at <http://robotevents.com/volunteer/> to get information about volunteering and sign up to help.

Missed an Update?

All updates are archived at the World Championship event page on RobotEvents.com [here](#).

RECF - Robotics Education and Competition Foundation

We are a non-profit that uses robotics to get young minds interested in Science, Technology, Engineering and Math. We are here for you. Please let us know how we can help.
