

IDEAS AND THEMES IN POETRY E.6

Eyes wide open

- We walk the plank with our eyes wide open.
- I think that text is good because it explains the way there feeling and there emotions.

Race against nature

- Upon it's grave we dance.
- That it is a good way to describe the way the earth feels with people dancing on its grave.

RACE AGAINST NATURE

ks like nature has no chance
nst the human race
its grave we do our dance
e spitting in her face.
cent life we must protect
r water, earth, and air
greedy have the least respect
e the powerful just don't care.
e who care enough to see
oing all they can
starts with you and me
ve the earth from man!
