This SAG New Media Project involves an action-espionage 'who-done-it' plot featuring dramatic live action and stunts. This interactive experience for simultaneous participation by a global, but limited audience has been commissioned by a corporation who is a leader in cutting edge networking and collaboration technology. This video is for internet/intranet (internal network) ONLY. It is for a limited run through October and will only be accessed by viewers who have an assigned password. After October, it will be archived and only used for case study purposes. It will not be used for advertising. Viewers/participants will interact with the video experience to discern clues to guide what happens next in the plot. The entire viewing experience is quite revolutionary. Actor will have the opportunity for great tape - will look fantastic for a reel.

It is important that all actors have strong improv skills.

PLEASE NOTE - NEW CASTING DIRECTOR - IF ACTOR HAS ALREADY AUDITIONED FOR A ROLE FOR THIS PROJECT, THERE IS NO NEED TO RESUBMIT. IF ACTOR HAS NOT YET BEEN SEEN BY A CASTING DIRECTOR, THEN PLEASE FEEL FREE TO RESUBMIT. THANK YOU.

[ISABEL] Female, mid-20s, weight 115 lbs., height 5'8"-5'10". Athletic build. Blond hair (or with lighter highlights). Sophisticated looking (more like a Bond girl, than the All-American girl-next-door). Portuguese/Swedish - European ethnicity. American or Portuguese accent. Speaks English, but optional Spanish, Portuguese, or French. Special skills of the character are rock and mountain climbing, kayaking, horse jumping, fencing, martial arts, gymnastics, parkour. (This stunt work will likely need a stunt double that can do 'parkour' style chases). Isabel is athletic and smart. She's single, and right now her mind is not on romance. She's a girl who doesn't look back, either while competing or in relationship to her past. She likes the world of computers because it makes sense. It has rules she can understand. Rate: \$500/flat (+10%) per day -- 2-3 days pending final schedule.

[KEITH] Male, late-20s/early-30s, weight 150 lbs., height 5'10"-6'. Athletic build. Dark hair (and possibly dark features). Any ethnicity - but from Australia (think Simon Baker with dark hair). Must speak with an Australian accent (if actor is not really from Australia, must have good accent - we will want to hear this in the audition). The character has skills such as boxing, sailing, fencing, (seduction), ballroom dance. (any of these would be a plus for the actor but not a requirement). Keith made a lot of money in an internet business-then sold the company and, at 28 or 29, retired. When he got bored he opened a surf shop in Melbourne. Sometimes he opens the shop, sometimes he doesn't. Keith is easy, laid back. Not, at first, the best guy in an emergency since he doesn't take much seriously. Should have a sense of humor. Rate: \$375/flat (+10%) per day -- 1-2 days pending final schedule.
