Sides are available on Showfax and Sides Express.

All actors must be able to read the copy very fast like an auctioneer. Auctioneering experience is a plus, but not necessary. The fun in this spot is that the characters all look relaxed, except that they're speaking very fast, auctioning off their home. Leave comments/notes, send tape, or provide other proof of auctioneering abilities. Additional info may be sent via C-MAIL - or noted in profile/submission.

This is a test spot for the San Diego market only. One day shoot. There may be additional ADR or voiceover work involved, which will be negotiated at a later date, if necessary.

Sides are posted on Showfax/Sides Express, so please study lines before Monday's audition.
