Now we have a room!

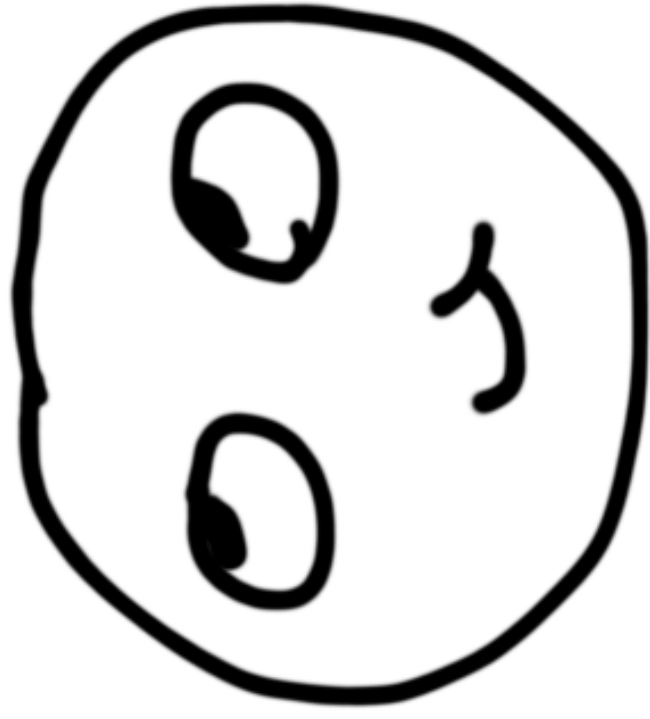

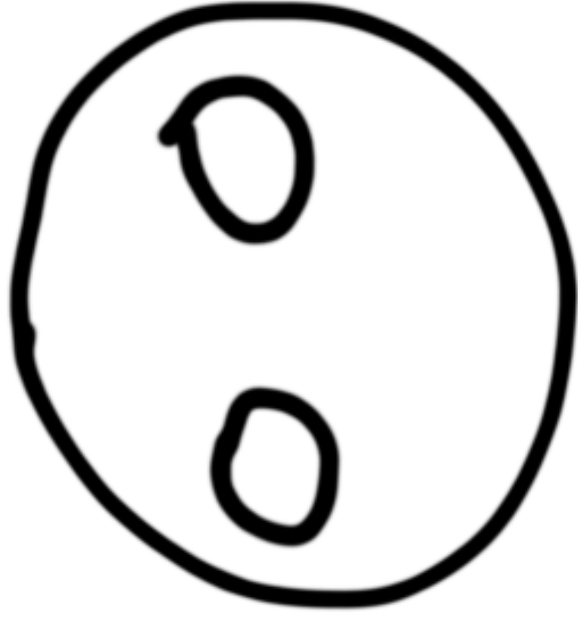

or a street corner!

Faces !!

Try different eyeballs..

Try different emotions!

Please remember ...

When you are drawing  
the background, keep  
it simple, and put  
the horizon line

$\frac{2}{3}$  down from the  
top.

# OBJECTS ...

And pull-backs...

...  
even really far back!

## STORY IDEAS:

1. Waking up late for school.
2. going on a date.
3. playing ball and breaking a window.
4. What do your students do?
