

## Confessions of an Alcoholic – Survey

Please take the time to answer this survey and get it back to me. The answers recorded will contribute towards my assignment and will remain anonymous.

1. How old are you?
2. Do you drink alcohol? If so, why?
3. How long have you been drinking alcohol?
4. How much do you normally drink on an “average” night out?
5. What activities does an “average” night out consist of?
6. Describe what normally happens at parties you attend.
7. Describe the worst scenario you’ve been in/encountered while drinking alcohol.
8. Describe what happened after this.
9. Have you ever felt out of control while drinking? Why?
10. In your opinion, what would be the best way to make girls your age more aware of binge drinking?

Thank you ☺
