\$5-10 suggested donation for dinner.

T-shirts are available with a \$5 donation, anything more will go straight to the girls.

### What is this all about?

We are 4 high school freshmen from North Carolina with a passion and burden for sexually enslaved children across the globe. Girls our age and younger are sexually exploited everyday. Rather than merely praying for them, we decided to do something about it. We have started a non-profit organization to restore their freedom. Our foundation is named S.O.S. (Save Our Sisters). We will be partnering with Project: Rescue, International Justice Mission (IJM), and Ekissa. These partnerships will maximize our efforts and help ensure all funds we raise get to those who are in a position to rescue our trafficked sisters and bring them the hope of a true Savior.
