

# Retreat '11

December 19, 2010

Enclosed in this packet is everything you need to register and plan for Retreat 2010. If you have any questions not answer here, please contact us at 844-4067 or at david.peck@covenantlove.net.

Retreat 2010 is **January 14-16** at **Mt. Zion Retreat Center** in Roaring Branch, PA. The retreat is open to anyone from grade 9 to late twenties. The cost is **\$100** per person, which includes 2 nights lodging, 5 meals, and transportation costs. Make checks payable to Covenant Love Community with "Retreat" in the memo line. The registration deadline is Sunday, January 8. Sorry, no exceptions.

We don't want money to keep anyone from attending Retreat. If you cannot afford the full registration cost, there are scholarships available on a per case basis. Just ask.

If you would like to contribute towards scholarship for others to attend Retreat, please let us know.

We will meet on Friday, January 14 at **5:30 p.m.** at Covenant Love Community Church to prepare to leave for Mt. Zion. We would like to be on the road by 6:30, so please be prompt. Our first meal will not be until breakfast on Saturday morning, so everyone should eat dinner before coming.

To facilitate the packing process and minimize confusion, the vehicles we are taking on the retreat will be parked in the spaces closest to the building. Please do not park in any of these spaces, or we may load up your car and take it with us.

We will return to CLC on Sunday, January 16 by 4 p.m. Please plan to pickup your child between 3:30 and 4 PM. Our return will go more smoothly if people don't have to call for rides once we get to church.

Enclosed is a registration form, which must be filled out and returned with payment. A completed registration form is required for everyone going on the retreat. The medical authorization section must be completed for anyone under the age of 18. This authorizes us to act on your behalf in the event of an emergency. These forms **MUST** be returned to us **PRIOR** to the retreat. We cannot permit anyone under 18 to attend if we do not have their completed authorization. If you have more than one child going, please fill out an individual form for each child. We have additional forms if needed.

Please be sure to fill in any allergies (food, drug, etc.) or any necessary medications your child has or needs. If there are food allergies, please let us know ahead of time so we can notify the retreat center. They have always been great about accommodating these needs.

Also enclosed is a list of items each young person must bring on the retreat. Please keep in mind that we are planning outdoor activities, including tubing if there is snow. Pray for much snow. It is very **important** that each person is properly prepared for cold, icy, cold, freezing, cold, mountain, cold weather. We do not want to see anyone left out of the fun because they were not properly prepared.

If you have a vehicle that you are willing to lend to us, let us know. If you need to get in touch with us during the retreat, the number for Mt. Zion is **(570) 673-3338**. Thank you for your support and prayers!

Grace and Peace,

David & Beth Peck

# What Do I Need for Retreat '11

## **WHAT I REALLY NEED:**

2 or 3 pair of jeans  
a couple turtlenecks  
a couple warm sweaters  
several pair of warm socks  
long underwear  
snow pants (or, for the more extreme individual, snowboarding pants)  
boots  
sneakers  
hat and gloves  
three French hens  
two turtle doves  
a partridge (pear tree optional)  
casual indoor clothes  
slippers  
pillow  
tooth brush and toothpaste  
shampoo and soap  
sun tan lotion (uh, you never know these days)  
Bible, notebook, and pen

## **WHAT I MIGHT WANT:**

sleeping bag (bedding and towels are provided)  
playing cards/ blitz cards  
other games  
camera

## **WHAT I CAN'T BRING:**

CD or mp3 player  
Portable stereo  
Walkman  
TV or DVD Player  
Console or Handheld Games (PSP, Gameboy, Atari 6400)  
Ion cannons  
Death Stars (fully operational or otherwise)

Retreat is a time for us to get away with God and each other. It's a chance for us to build new relationships, strengthen the ones we have, and deepen our personal and group intimacy with God. Obviously, we have no problems with music, but in this setting it can be a distraction to relationship building. For this reason, we ask that you do not bring any personal stereos, walkmans, mp3 players, handheld game devices, portable TVs or DVD players on the retreat.

We also ask that you not bring any dragons. Though dragons do love to zip around mountains like they have around Mt. Zion, they often catch cold easily, and I think you can understand why a fire-breathing dragon with a cold would be a bad thing to be anywhere near. We thank you for your understanding in this matter.
