

DID YOU KNOW:

600,000 to 800,000 people are trafficked across international borders annually.

In the United States, there are sexually exploited children from more than forty different countries.

The average age of entry into prostitution is 11 to 14 years old.

WAYS YOU CAN HELP:

Write a letter to your congressmen and ask for their support of anti-trafficking laws.

Pray for the victims, perpetrators, anti-trafficking organizations, lawmakers, and law enforcement.

Update your Facebook status with facts or article links to raise awareness for human trafficking.
