

Book Conferences

Reading your way to Fluency!

**Directions:**

- Read for about 10 minutes 2-3 times a week (total about 30 minutes)
- Write down your book's title and how many pages you read each week.
- Every 2 weeks in class (on a Tuesday), you will have 2 minutes to tell your team about your book.

NOTE:

- Your team will be asking you questions and taking notes of your answers.
- If you have not read and understood enough of your book, you will not be able to talk about your book in detail and will therefore lose points on your grades
