

# The GLOBE Program

*Global Learning and Observations to Benefit the Environment  
An International Environmental Science and Education Partnership*

*Are you a graduate of the GLOBE Program who is willing to volunteer your time to contribute to the success and sustainability of GLOBE?*

## Be a Lifetime Learner:

- **Partnerships with large-scale Earth system science projects and Climate Change campaigns;**
- **Training of students and teachers;**
- **International and Community events.**

## Developing your workforce skills through;

- **Working with Business Professionals:** be involved on projects that involve experts in all occupational fields;
- **New technologies:** develop online collaborative student research tools by using the modern web technologies;
- **Strategic planning:** be part of the team organizing events that brings together students from all over the world;
- **Global communication:** Build communication skills through reports, newsletters, and video-conferencing.
- **Fundraising:** be part of fundraising and grant proposal strategies
- **Management:** create the activities necessary for team building and cohesion.

## Building a worldwide network of:

- **Friends**
- **Business Colleagues**
- **Opportunities**
- **Experiences**

The GLOBE Alumni Organization could be what you are looking for. Volunteer time is only what you have to give, whether it is a half hour or 100 hours a year!
