**“A revolution!
(just like all the other revolutions)”**

the Windows Azure Platform

Compute

Storage

CDN

External Connectivity

Microsoft data centres

Quincy

Singapore

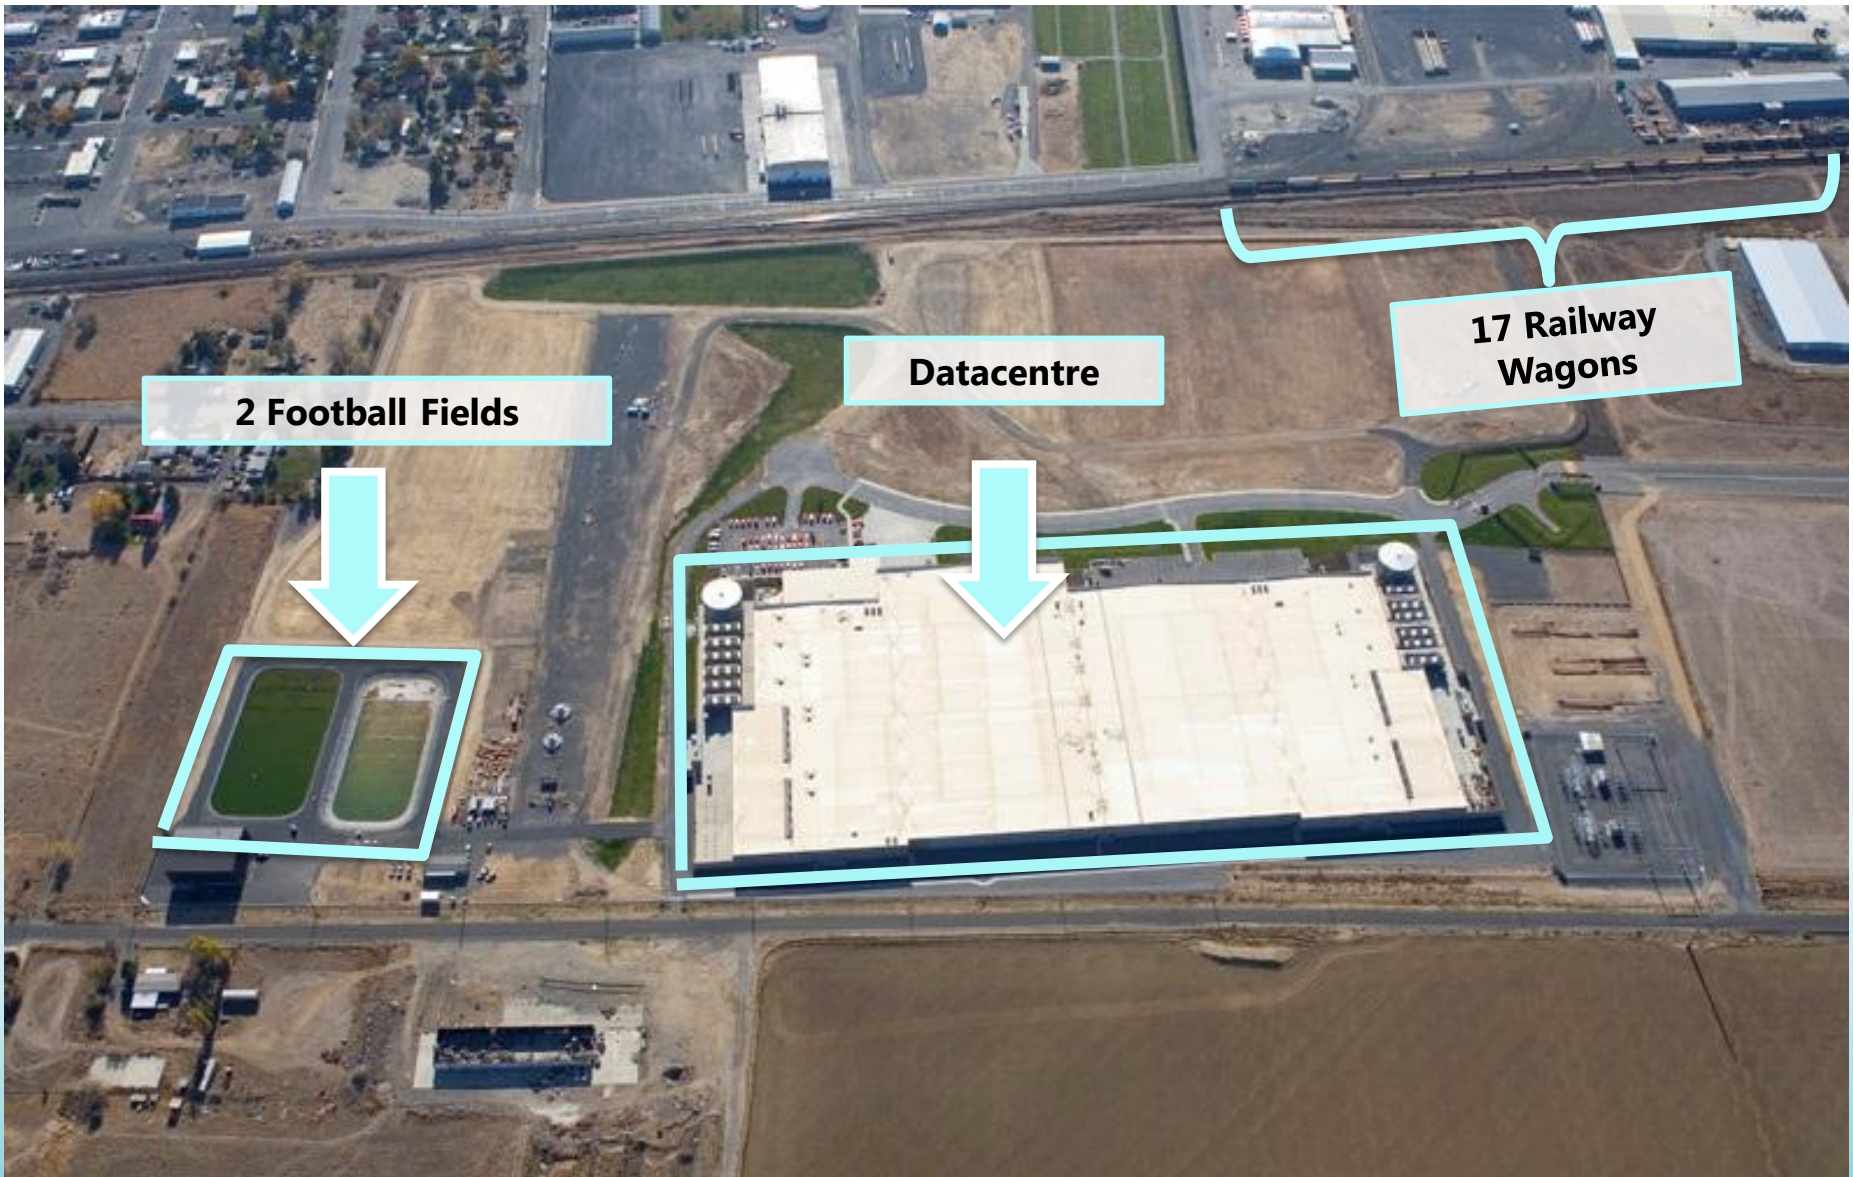

Hong Kong

Dublin

4 of the 10 biggest DC's in the world • Common global platform for consumer and commercial • \$B's investment

CDN

Pricing

<http://www.microsoft.com/windowsazure/offers/>

To sum it up...

@tbuntel

- Global platform for delivering apps
- **Not** just for .NET
- Utility model, elasticity, self-serve...all the cloud boxes ticked
