

Day 5

Interviewed another member of staff. Uploaded all interviews to my posterous portfolio site. Also started review of Magritte exhibition and also started introduction for portfolio.

Use this next section if you are on a two week placement.

Day 6

Continuation of Magritte exhibition review and introduction. Sorting out portfolio making it neater by putting it into solid sections

Day 7

Exams in morning went back to work and continued with arts award. In the afternoon went to recording studio for Arts award.

Day 8

Visited St. Cuthbert's a school in St. Helens to see a curious minds project with my own eyes. The project was a gangster rapping project. It was really good.
