

Have A Great Critical Mass!

- Talk to and meet fellow riders.
- Ring your bell, toot your horn.
- Smile, wave at, say hello, and thank pedestrians and motorists.
- Avoid confrontation. If someone honks or screams, remember, we're having fun, they're not.
- Don't leave riders behind.
- Yield to all emergency vehicles.
- Avoid trapping motorists or pedestrians.
- Stay on your side of the road.
- Remember, Critical Mass is a parade, not a race.
- Tell your friends to join the last Friday of every month.
