

# VULNERABLE CHILDREN

## Providing school supplies for the vulnerable

Many children in South Africa's disadvantaged townships don't have the funds to buy their required school supplies and uniforms each year. Without these, children are not allowed into school. Vulnerable Children South Africa provides these necessities for the children in about 25 impoverished families in Masiphumelele, a township near Cape Town, South Africa. Your donation to Vulnerable Children SA will provide for these children who cannot help themselves.

It costs only about 700 rand (USD\$100) to provide a complete school uniform

and school supplies to a vulnerable child. Will you consider partnering with Vulnerable Children SA as we raise the funds to provide these necessities to 42 children? Your gifts are appreciated!

**Vulnerable Children South Africa** is a non-profit ministry of All Nations South Africa.

VC cares for vulnerable children and their families in Masiphumelele, a community south of Cape Town, South Africa. We assist with the practical needs of children whose parents have died or whose remaining parent is too ill

to care for them. Volunteers mentor sponsored children to give encouragement, assess needs, and provide spiritual discipleship.

We aim to see every child grow to know God and to become who God created him/her to be. We aim to empower and advocate for these children and their families through education, job skills training, and more.

To donate to VC in the U.S.: mail checks with a note for "Vulnerable Children SA — Uniforms" to:  
All Nations Family, Inc  
c/o Walsh Washburn  
5360 College Boulevard  
Overland Park, KS 66211

Each child in the VC program is sponsored each month through donations. To find out more about Vulnerable Children or how to be a part of giving a child hope through sponsorship, visit [www.vulnerablechildrensa.com](http://www.vulnerablechildrensa.com)
