

PILOT SWAPOSIIUM OCTOBER 11TH @ 11.45 -1.00PM

Can you help me pilot an idea for an exchange between Masters of Design students across the world?

Meet us in **MM 121 on 11th October at 11.45 sharp** where we will pose questions and answer questions with a group of students from the UK who are also trying to make sense of what it means to be a designer today.

In just one hour, we will exchange questions and responses, and see what happens.
We can decide what we want to do with it next.

In exchange I will bring some tasty lunch, and some drinks.

What do you think?

RSVP or questions to gill@plotlondon.net
