

# Evaluating Morning Mood Pieces

Name \_\_\_\_\_ Form \_\_\_\_\_

Listen to the recordings of your “Morning Mood” pieces.  
To make sure that you can hear the three different sections in each piece, tick the boxes below as you hear each different section. Give each group a mark and briefly mention something you liked and didn’t like about each piece.

Group	DID YOU HEAR?			Mark /10	Briefly describe something you liked and didn't like about each piece
	SECTION 1 <i>Hazy light spreads across a calm sea</i>	SECTION 2 <i>Sunlight races across the surface of the water</i>	SECTION 3 <i>Dark clouds line the horizon</i>		
Example	✓	✓	X	7/10	I liked the way this used the triangle to describe the sunlight in section 2. I didn't like the way this piece ended as I couldn't hear the third section.
