

21st November 2011

Dear Sir/Madam

Sub: "Together We Can"- Manzil's Sports Carnival 2012

Manzil is a non-profit organization supported by friends like you who want to productively change the lives of individuals with special needs. As a non-profit centre, we rely on voluntary support to help make a difference to the lives of children and young adults with special needs. It is through community service that we can provide the opportunity for every student to learn and to have the chance to give back.

Manzil increasingly seeks to integrate individuals with disabilities into the social, educational and vocational mainstream, and to be a role model for more broad based efforts along these lines across the U.A.E.

Our theme for this year is "Together We Can". To promote the same, we are organizing a Sports Carnival on Saturday 28th January 2012, from 10.00 am to 5.00pm, at the Khalifa University, Sharjah. We are inviting mainstream and special needs schools from the U.A.E to participate in various activities. There will also be different kinds of stalls and games.

The tables are sold for minimum amount of AED 300. This is in the form of a donation. You may choose to pay more.

Please come forward to be part of our team to show the society that you care. Entries for participation will be received on or **before Thursday 22nd December 2011.**
