Buy 1 Ashiatsu or Ashi-Thai session, Get 1 Barefoot Massage Free!

*The once a year online Gift Certificate sale is
happening NOW through Christmas Eve!*

Stress free shopping for everyone on your list: Love your massage from Jeni? How about giving the gift of Barefoot Massage to your loved ones, now there's a TOEsty idea!

We all love to be relaxed and pain free, and with the BOGO (Buy One Get One) Barefoot offer, you and yours can take an hour to yourself to feel the tension in your muscles melt away like Frosty the Snowman on a hot sidewalk in Texas.

For every online \$80 Barefoot Massage gift certificate purchase, (or even if you buy a package) you'll get 1 complimentary voucher for another session! Use it for you or a friend, and even for scroogey Uncle Larry, **but act fast, this once a year sale ends when Santa's in his sleigh, so you have until Saturday night at midnight to take advantage of this great deal!**

Visit the ["Gift E-Cards" button on HeelingSole.com](#)... shop online in your pj's, then just click to email or print out the gift certificate, it's that easy! You can even schedule the gift certificate to be emailed on Christmas morning, so they can't peek!

Whats better than dealing with mall parking and long lines in the stores? Jeni prancing all over you like Reindeer on the roof, thats what.

Be the giver of something awesome, and give barefoot massage gift certificates this season.

Heads up: Although the schedule is already full for this week, there are appointments available next week. I'm ready and waiting to help you recoup from the holidays and end 2011 on a relaxed foot note. (Haha!) [Schedule Now!](#)
