FROM US TO YOU...

Seasons Greetings*

New Ashiatsu class offered in 1st Quarter of 2012

Due to popular demand, I have switched the existing Advanced Ashiatsu class that was scheduled to happen on March 9-11, 2012, into a Barefoot Basics class. *(Sorry existing AOBT Grads... but stay tuned for the rescheduled Advanced Ashi class dates, TBA as soon as I know when my husbands vacation time gets approved!!)*

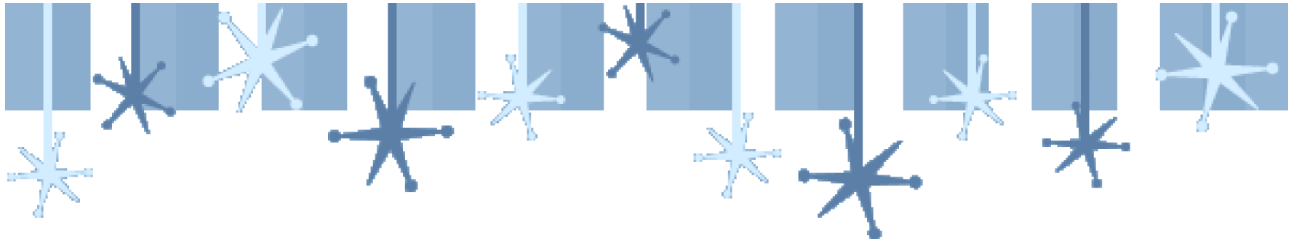

So for all you Massage Therapists out there excited to learn Ashiatsu Oriental Bar Therapy, now you don't have to wait until the May class!

Join us in San Antonio March 9-11th for Barefoot Basics

It's my late holiday gift to you!

Visit [this link](#) to register today! Only 8 spots available - then we can move onto the May and the rest of 2012.
