“Since you already have a window cleaner, why should you consider allowing MPW Window Cleaners to provide a proposal?”

- Are you 100% satisfied with your existing supplier’s quality, reliability and customer service?
- Would you like to benchmark their prices and service levels?
- Do you have an additional requirement and want to stop your existing supplier being complacent?

MPW can offer you the following:

- **Dependability:** We turn up on the dot every time.
- **Flexibility:** We clean at specific times to suit you.
- **Friendly Staff:** Who are fully trained, conscientious, courteous, considerate, punctual, smart and trustworthy.
- **Capability:** A range of cleaning which includes windows, framework, cladding, and gutters (including clearing) and buildings of all shapes and sizes.
- **A Property Friendly Service:** Using the proven “Reach & Wash” system that dispenses with ladders that can do so much damage to your property (i.e. marking, chipping and scratching paintwork, cladding, gutters and tiles/slates). The choice is yours.
- **A Fair Price:** We guarantee our prices for a minimum of THREE YEARS. This means no irritating annual increases and no artificially low first year prices just to win the business.
- **Experience:** You will be in good company. MPW work with 100s of commercial and public sector organisations such as: Morrison Supermarkets, ISS Mediclean, Panasonic, Fujitsu, Siemens, Odeon Cinema Complexes, the NHS Trust and Buckinghamshire County Council.
