November 15—evening interviews

November 16—morning interviews

On Gym days, please make sure your child is dressed in proper gym attire. Primary students do not change at school for gym class, so it is important they are dressed in light weight, comfortable clothing they can easily move in. Also, a must is proper gym footwear (rubber soled running shoes that have Velcro or laces that do up and stay done up) This is a safety rule.

Please ensure your child brings back their library book every Day 4 so they can exchange it for a new one.
