## Overview of "The Journey"

## Q&A

*Our ministry strives to go Deep and Wide: we go deep into God's Word as we go wide with the life-changing message of Jesus Christ.*

*In so doing, we take teenagers who are spiritually apathetic and push them toward spiritual passion by helping them do two things:*

1. *Dig deep into God's Word and apply scripture to their lives in obedience to Him.*
2. *Develop a burden for lost people, which is the core of becoming more like Christ, since a burden for lost souls is why He came to earth in the first place.*

*When discipleship and evangelism intersect, that is when we see explosive spiritual growth start to take place.*
