This is to inform you that that the Public Utilities & Infrastructure Committee for the Saipan and Northern Islands Legislative Delegation has scheduled a meeting with Mr. Bruce Megarr, Deputy Director of the Commonwealth Utilities Corporation on Friday, February 20, 2009 at 10:00am in the House Chamber.

Mr. Megarr will be providing a briefing on the Stipulated Orders that have been filed in federal court by the U.S. Environmental Protection Agency and the U.S. Department of Justice in an effort to bring CUC into compliance with the Safe Drinking Water Act and the Clean Water Act.

The support of the Legislature will be a critical factor in terms of CUC's ability to successfully meet the mandates of these Stipulated Orders.

All members are urged to attend.

Thank you.
