

Are you passionate about global change, committed to learning by doing, and ready to engage in hands-on international development?

The Global Engagement Summer Institute at **Northwestern University** will equip you to:

- Work **directly** with grassroots **NGOs** and local **communities** in **Uganda, India, Nicaragua, or Bolivia**
- Earn **two Northwestern course credits** through a week-long training institute in Chicago
- Leverage the **strengths** -- rather than list the weaknesses -- of the communities in which you live and work abroad
- Live with a **host family** and immerse yourself in another culture for eight weeks
- Work in **teams** to design and implement an original development project in **environmental development, microfinance, youth and education, gender and development, global health**, social enterprise, and more
