

Wayside Walks

Plumstead Walk

Route

1. Park in the Street in Plumstead. Make your way westward past the church and flagpoll by the phone box. Looking across the fields you'll see Baconsthorpe water tower to your right.
2. After a short distance you will arrive at a junction where you can see the Plumstead 2000 village sign but head towards Edgefield; then after a few paces take the public bridleway southwards.
3. Keep to the track until it nearly reaches the road where you need to turn sharp right.
4. When you reach the bluebell wood you can either keep straight on (the dashed route on the map) or turn left keeping to the main track with the wood to your right all the way to the road.
5. Turn right and head up the road until it reaches Plumstead Green.
6. Stop a moment to explore the pond and sit a while. On a hot summer day you may see many types of dragon flies. Head eastwards towards Matlaske and the church at Plumstead.
7. Whilst in the village take a look in and around the church and walk to the other end of the village where you will see the old round yellow AA sign on the east wall of the Old Post Office.
