President's Message

Aloha you wonderful Lions and CIS's!!!

Aloha to ALL the hard working Waiakea Lions and CIS!!!

It takes more than a tidal wave to stop the WLC!!! The Annual 56th Chuckwagon Breakfast was almost derailed. All the hard work done the night before looked like it was done for nothing because of the tsunami alert that was posted early Saturday morning.

The fire and enthusiasm looked like it had been sucked right out of the morning WLC members. It was with much disappointment that we locked the doors and went home to see if Hilo was going to be able to hold up against the tidal surge that afternoon. As it turned out, it proved to be a very good civil defense exercise.

After some thought and consideration, the WLC decided to go ahead with the breakfast and the phone tree was started. Leos, Boy Scouts and Cub Scouts all got calls, and everyone responded with flying colors the following day!!

Calls went out to the local radio stations with radio personality Mynah Bird repeating that the breakfast was on for that Sunday morning. The Chuckwagon Breakfast was a go!

What a happy bunch of Lions and crew that showed up, looking a little bit more tired but happy! The breakfast was really a success! A lot of no- shows, but considering the situation

it was still a success. THANKS TO EVERYONE THAT SHOWED UP!! Going back to the container, I had a little tear in my eye as I drove by the Naniloa Golf course where the Hilo 3 par tournament was going on. There will always be golf, but only one great Chuckwagon Breakfast!!

The KMC Winter Forum was well attended, I believe there were 159 Lions, sharing ideas and getting things done. The hospitality room on both nights was also very well enjoyed!!

The Leos Convention, also up a KMC, had a large turn-out. Thanks to all the WLC members that helped and delivered lunch to the hungry Leos on Saturday.

Lelewi Beach clean-up/General Membership Meeting of the WLC had a beautiful day to enjoy. The Lions and Leos who missed the meeting, sure missed out on a delicious dinner put together by Lion Ken Uemura. But, I suppose a lot of the gang were still dragging from the Sunday Breakfast!!

That's about it for now, let's forge ahead to the next projects, because WE SERVE and remember, we are the "Knights of the Blind".

Aloha, WLC President Ken Rosene and CIS Yvonne.

"Happiness is not so much in having as sharing. We make a living by what we get, but we make a life by what we give." --Norman MacEwan

LCIF Committed to Relief Efforts After Earthquakes

I am sure you were equally shocked when you learned of the 8.8 magnitude earthquake that struck Chile. As with the Haiti earthquake and other past natural catastrophes, LCIF responds quickly to ensure those impacted get the aid they need, but the Foundation is also committed to long-term relief.

Our efforts continue in Haiti, where Maureen and I visited last week. We were amazed to see what the Lions of Haiti are doing to restore stability to their country and know that the Lions of Chile will bring the same service to their communities.

Together, we are all working to bring hope to the people affected, displaced and suffering.

Best,

Al Brandel
LCIF Chairperson

2010 WLC Chuckwagon Breakfast

By Lions Bob Kawakone & Craig Watanabe

This year's Annual Chuckwagon Breakfast turned out to be more of a challenge than in recent times.

With our local economy still reeling in high unemployment, ticket sales were slow coming in...then we get hit with a tsunami warning the day of the event!

When the order was made to postpone the breakfast, concerns were made that we may have to donate food items and possibly refund tickets.

The tsunami warning was cancelled promptly after 2pm when a small series of tidal surges swept in and out of Hilo Bay with no significant effect on the shorelines.

Calls went out to local radio stations with radio personality Mynah Bird repeating the call that the Waiakea Lions Club Breakfast was ON AGAIN!! WLC Lions, CIS', Boy Scouts, Cub Scouts, WHS Leos and other volunteers waited in the pre-dawn hours at Waiakea High School's cafeteria for the next surge...of people eagerly holding out for this once a year event.

Prexy Ken Rosene and KHBC's Mynah Bird

And what a surge it was. Townsfolk from Hamakua to Puna came out in droves to support our fundraiser to help out our communities. Ticket sales at the door were brisk and netted several hundred dollars in additional contributions to our cause.

The event itself proved that despite a postponement due to a tsunami warning, people still came out the next day to enjoy a breakfast prepared by the Waiakea Lions Club of Hilo.

In the end the teamwork of the Waiakea Lions, CIS', Leos and advisors, Troop 19 Boy and Cub Scouts and various volunteers worked their way thru the morning and served

2,380 plates to all those who came. Ticket sales generated \$18,600 plus \$170 in eggs (sold) will be used for various non-profit organizations in the East Hawaii area. A total of 3,720 tickets were sold.

Lion Billy Lyman thanks all Lions, CIS, Leos, Advisors, and Scouts/Cub Scouts for their hard work and for selling the Chuckwagon Breakfast tickets

Our warmest Mahalo to the Troop 19 Scouts/Cub Scouts, for selling 280/250 breakfast tickets respectfully. Kudos also to the WHS Leos for selling 280 tickets. Combined, the Scouts and Leos sold nearly 900 tickets this year.

By Lion Cedric Mitsui / Photos by Hilo Lions Jan Asano

On February 19, 20, 2010, 9 Lions and 3 CIS attended the District 50 - Hawaii Lions KMC Winter Forum, held at the Kilauea Military Camp.

The opening ceremony was held at the Ohia Room, and started at 6 pm. MC for the forum was PDG Norman Sakata. Both DG Alan Garson and VDG Chris Tamura welcomed the 156 Lions, CIS and guests that attended this year's Winter Forum. The Keynote speakers were PID Maurice and Lani Kahawaii who spoke on their two year experience while traveling over 250, 000 miles. CIS Lani used her travel opportunity to inform Lions during their visit, of District 50 - Hawaii Lions significant contribution to LCI.

The deletion of the word "White Only" in our Constitution and By Laws, that enabled all races to become Lions, the creation of our Lions Pledge by Lion Tom Shields of the Honolulu Lions Club, and for the promotion of our Motto, "We Serve" by Lion George Akau, worldwide, that was eventually adopted by LCI.

The first night's hospitality room was hosted by both DG Alan Garson & VDG Chris Tamura. Everyone was treated to PID's ono Portuguese bean soup and a spread fit for a king. Beverage flowed in many types and brands.

On February 20, the District 50 - Hawaii Lions 3rd Cabinet meeting was held at 9 am and ended at 11:45 pm. The President's Panel started at 11:45 am that featured discussions concerning the Region/Zone, Membership, extension, retention, leadership and orientation, and the responsibilities of a club president, that ended at 12:30 pm. Following the president's panel, a hosted lunch for all was provided at cabinet #76 that featured help yourself sandwiches and PID's Portuguese bean soup.

At 1:30 pm the Round Table discussions were held at the Ohia room, led by DG Alan Garson, and ended at 2:30 pm. Everyone in attendance, were able to say a few words concerning their experiences as a Lion and or a significant project they chaired or participated in.

Dinner was on your own and at 6:00 pm, the Fun Night started with the Live and Silent auction, auctioneer, PID Hebert Watanabe, who did an outstanding job in raising funds for Region 7 & 8.

The night's activities ended with the fun and exciting "Reverse Bingo" ably hosted by the Akaka Falls Lions club. Everyone won to the delight of over 100 Lions, CIS and guests. The 2nd night's Hospitality room was hosted by VDG's Eric Nordmeier and Jack Kampfer.

Kudos to PID Herbert Watanabe, for donating three pots of Portuguese bean soup that was served at the hospitality rooms and to Lion Cedric Mitsui for donating five items worth over \$250.00 to the auction, on behalf of the Waiakea Lions Club.

Mahalo to Lions Herbert Watanabe, George Kodani, Ken Rosene, Bob Kawakone, Cedric Mitsui, Wayne/Carol Kuwaye, Pat Naughton, Jon /Myrtle Lum, and Kevin/Lynnora Ono, for participating in this year's KMC Winter Forum.

2010 Leo's Convention

By Lions Cedric Mitsui, Abe Kubo and Ken Uemura

On February 5, 2010, Lions Cedric Mitsui and Bob Kawakone attended the opening ceremony of the 2010 Leo Convention held at the Kilauea Military Camp Ohia room. 100 Leos, Lions, and advisors were in attendance that included District Governor

Lion Alan Garson, CIS Pricilla, and District 50 Leo Club Director, Lion Rick Yee.

Lion Cedric and I had dinner at the Crater Rim Café at 5:30 pm and at 7:00 pm the opening ceremony was called to order, club in charge, the Waiakea High School Leo Club. All told, 10 Leo clubs attended Hilo, Laupahoehoe, Waiakea, Kaiser, Leileihua, Mililani, Campbell, Molokai, Waipahu and Farrington.

DG Lion Alan Garson led with his welcoming remarks, and was followed by District 50 Leo Club director, Lion Rick Yee, opening remarks and the introduction of the Leo club members that were in attendance. This was followed by a number Leadership sessions and during that time, the Lions in attendance judged the Leo clubs Project & activities booklet to determine the winners of 1st through 3rd place for 2010.

The Waiakea High Leo Club and their advisors are to be commended for the planning for this year's Leo Convention. Judging from the comments made by the Leos and their advisors, this year's convention was one of the best. They enjoyed the work shops, activities and most of all, the beauty of the Hawaii Volcanoes National Park and especially the Kilauea Military Camp facilities. **(story by Lion Cedric Mitsui)**

During the 2010 District 50 Hawaii Lions Leos Convention, members of the WLC prepared and served lunch to the visiting 83 Leos, Lions and advisors on the grounds of the Kilauea Military Camp.

Kudos to project co-chairs Lions Abe Kubo and Ken Uemura, the project was a huge success. The members of our Leo club were the envy of the visiting Leos, for hav-

ing a supportive Lions club. After a 5 ½ miles hike within the Volcanoes National Park, the Leos, and their advisors were ready for lunch, and what a delight it was to indulge in a magnificent spread the members of the WLC had prepared for them. The spirit of Aloha and Lionism prevailed on this day.

On the menu, two types of bread, the fillings were, turkey, Ham, lettuce, tomato, alfalfa sprouts, round onions, cheese, and pickles. To add a special touch to lunch, Lion Chef Ken added potato chips, desert, mayo and mustered. Juice and water were also served.

The project was a success only because of the participation of the rest of the lions. PID Herbert Watanabe, Lions Ken Rosene, Kevin Ono, Stanley Takemura, Cedric Mitsui, Melvin Kunimoto, Bob Kawakone and James Miyake. **(story by Lions Abe Kubo and Ken Uemura)**

ALOHA, FELLOW LIONS

Spring is almost here, and it is getting close to convention time! The convention committee, headed by Lion Gregory Ayau of the Crescent City Lions Club has been very busy putting together a spectacular function for all members, CIS's and guests.

The deadline for registering and signing up for all of the functions and activities is fast approaching – Monday March 15th!

Don't miss out on all of the fun and excitement, the business sessions, hospitality rooms, and greet our International Second Vice President Dr. Wing-Kun Tam from Hong Kong, China, who will be our guest speaker at Friday's luncheon.

Our Flag Ceremony Thursday evening will be special, taking place on the lawn (weather permitting) of the Hilo Hawaiian Hotel with Moku'Ola (Coconut Island), Hilo Bay, and Mauna Kea in the background.

The Friday morning business session will include reports from the various committees and the Necrology Service in memory of our departed Lions who have given so much to our district in past years.

We will have one or more service projects on Friday afternoon. Our original plan was to work on the "Playful City" project in downtown Hilo, but there have been delays on that site, so we are looking at alternatives. So bring your work clothes, gloves, and covered shoes. We may be painting, picking up rubbish, or even a small construction or repair project. Be prepared!

The Imiloa Astronomy Center will be the site of our Friday Fun Night. The planetarium will seat 120 at a time, and we are planning two showings, so the first 240 people will be guaranteed a seat. If there are significantly more people interested in seeing this outstanding show, we may be able to schedule a third showing.

Saturday will feature the nominations and election of our District Governor and Vice Governors, and a host of Constitutional, By-laws and Standing Policies Amendments. Please be sure to study these very thoroughly before coming to the session so that we may proceed in an expeditious manner.

The awards luncheon, officer training sessions, and District Governor Banquet will highlight Saturday's schedule. And of course, there will be hospitality rooms open all three nights!

Come and enjoy the convention and the variety of activities that Hilo and its surroundings have to offer! Visit the web site at: district50convention.com for information and forms.

Editor's Note

By Lion Craig Watanabe

Aloha fellow Lions!

Apologies for publishing this newsletter late, it won't happen again, I promise.

With three more months until the end of yet another action-packed year, the Waiakea Lions Club forges on as we search for Board and Committee heads for 2010-2011.

I must remind those who are new to Waiakea Lions that next year will be our 60th Charter Anniversary so those who will sit on the Board of Directors and Executive Board itself will play a decisive role during this historic year. With long range planning on the plate we will set a course for continued success for our club. If you are one of those individuals, seek out advice from fellow Lions as to what each position requires. You'll find that many of the Board of Director positions can be held with minimal impact on your family and work schedules.

This past year we have had changes in the way we operated such as the cancellation of this year's Fund Fest and how "Tsunami Tsaturday" impacted the annual Chuckwagon Breakfast. Two very important projects for WLC. How will we do next year? These are some of the issues the next Board will discuss. Fresh ideas and views will help identify a course of action, this is why as new members, it is up to you to help determine WLC's future.

On another note, if you are still having trouble opening up the online version of this bulletin within your email here are three suggestions that may help you read each month's issues.

1) You may have to download the PDF viewer again that is used to open up these docu-

ments. The most common PDF viewer is Adobe Reader. This software is free to download and is available at www.Adobe.com. Go to "download" and click on Adobe Reader. The current version is 9.1

- 2) If you want to read this bulletin directly without having to go to your email, simply go to www.waiakealionsclub.posterous.com to view it directly. You don't need a PDF view to open the newsletter. You can also print it from this online site directly to your printer for a paper copy.
- 3) Internet Explorer 8 has been a bit buggy lately and won't open PDF documents. Download Mozilla's Firefox browser and follow the install instructions. If you need help with this contact me and I'll step you thru loading in Firefox.

Waiakealionsclub.posterous.com also has previous bulletins of the 2009-10 issues as well as additional photos and videos that cannot be seen anywhere else but on our very own blogsite. If you get a chance I highly recommend you go to our blogsite for more on our projects.

If anyone of you has any issues with your computers or electronics in general feel free to contact me for help.

Mahalo,

Lion Craig Watanabe
