**Skill Building**

**A. Reading a Timeline** As you go through the lesson, put each of these events where it belongs on the timeline. Label your timeline with the correct dates. You can find them on pages 58–61 of *ACCESS World History*.

1. People settle in Egypt.
2. Settlements form along rivers in Eurasia.
3. Olmec civilization forms.
4. People settle in Sumer.

**B. Using Signal Words** Now write 4 sentences that tell the events above in chronological order. Use signal words such as *first*, *next*, *then*, and *last*.
