

SIMPLIFY YOUR ANNUAL BENEFITS COMMUNICATIONS

Our benefits overview presentation videos make it easy to communicate your benefits plans and related offerings to employees and new hires in a simple, engaging way.

We Make the Process Easy for You

 **Select the topics you want in the video**

- | | | | |
|----------------------|----------------------------|--------------------------------|-------------------------------|
| Welcome | HSA or HRA | Choosing a healthcare facility | Retirement benefits |
| Table of contents | How to use your HSA | Telemedicine | Voluntary benefits (multiple) |
| Benefits eligibility | Flexible spending accounts | Wellness program | Paid holidays |
| Enrollment details | Dental benefits | EAP program | Contact us |
| Medical plan options | Vision benefits | Commuter benefits | |
| HDHP | Prescription drugs | Life insurance | |

Don't see the topics you need? Just ask!

 **Update our slide template and starter scripts with your benefits details**

Our professionally designed presentation template includes built-in graphics, animations, images and starter scripts.

 **Select a voice artist and send us your branding**

 **We take it from there!** Your project manager makes the process easy and hassle free.

Pricing **\$500 per video minute** (Minimum of 8 minutes)

- Included with your video:**
- An experienced Flimp project manager
 - Choice of professional voice narration
 - Video hosting, chaptering and tracking
 - Technical support for easy distribution

“ Thanks to Flimp, communicating with our employees is a seamless process. It is an engaging alternative to traditional media. We look forward to continuing to work with them for our communication needs. ”
