Thanks for purchasing Click & Call Pro.

--- To Use on Your Own Site ----------
If you just want to install the plugin to your site then you can upload ccpro.zip like any other plugin.

--- To Resell it ----------------------------
1. Use a text editor (notepad or text edit) or a full website software such as dream weaver to open index.html and thanks.html.

2. Edit your name into the both files where it states 'your name' and add your own testimonials for the product or remove the testimonials area.

3. Add your paypal code or similar to the buy button.

4. Save both files.

5. Upload the contents.
