

2013 Virginia Statewide Neighborhood Conference Sponsorship, Exhibitor & Promotional Opportunities

The Virginia Statewide Neighborhood Conference (VSNC) provides an opportunity for neighborhood and civic leaders from communities across the Commonwealth to come together to share ideas and learn of ways to improve the quality of life in their neighborhoods. The VSNC includes workshops, neighborhood tours, guest speakers, exhibits, roundtable discussions, and other organized special events that allow participants to network with one another and share their knowledge, experience, and vision for promoting Virginia neighborhoods as neighborhoods of choice! Each conference activity is carefully designed to illustrate the vital role neighborhood organizations play in shaping their cities' futures.

Annually, the conference is attended by diverse groups of grass-roots neighborhood leaders, youth, non-profit, government staff, and others working in the field of neighborhood development. Pre-registration information is directly mailed to over 3,500 community leaders and professionals across the Commonwealth. Don't miss this chance to get your name and community-building success stories in front of these citizens.
