

2017 Virginia Statewide Neighborhood Conference Sponsorship and Exhibitor Registration

The Virginia Statewide Neighborhood Conference (VSNC) provides an opportunity for neighborhood and civic leaders from communities across the Commonwealth to come together to share ideas and learn of ways to improve the quality of life in their neighborhoods. This annual conference includes workshops, neighborhood tours, guest speakers, exhibits, roundtable discussions, and other organized special events that allow participants to network with one another and share their knowledge, experience, and vision for promoting Virginia's neighborhoods as neighborhoods of choice! Each conference activity is carefully designed to illustrate the vital role neighborhood organizations play in shaping their cities' futures.

The Virginia Statewide Neighborhood Conference is attended by diverse groups of grass-roots neighborhood leaders, youth, non-profit and government staff, and others working in the field of neighborhood community development. Don't miss this chance to get your name and community-building success stories in front of these citizens and neighborhood leaders!
