

Hurricane Irma Donation Drive

We have all heard of the devastation down in the Florida area hurricane Irma has caused and the aftermath from the flooding. Many families have lost everything so, Sebo's is holding a donation drive to send down with the NWI Truck Club that has graciously organized a group of the trucks and trailers to make a trip down there to drop off supplies.

What they are looking for: Cases of water, baby supplies (diapers, formula, baby medications, bottle, etc) blankets, towels, toiletries, hygiene products, trash bags, cleaning supplies, bug spray, pet food, duct tape, batteries, flash lights, nails, hammers, tools, toys, children's books.

THEY ARE NO LONGER ACCEPTING CLOTHING ITEMS OF ANY KIND

All Donations can be **dropped off to Melissa** and will be kept in her office. Donations are due by **October 4**th **by NOON** so the donations can be dropped off to the site as they leave the 5th of October to make the trip down there.

Again thank you for anything you can give! #FloridaStrong #PrayingforFlorida
